Also Present: Messerole

Mayor Bowen announced the Northwest Iowa League of Cities meeting Thursday, January 15, 2009, at Sac County Cattleman's.

Discussion was held concerning temporary part-time help with snow removal, as Lance Van Der Weerd has taken another position, and Mark Sangwin and Pat Howey are the only two available. Tony Wolcott would be on call, for snow removal, at a rate of \$15.00/hour, and he has ample experience with the type of equipment used by the City.

Discussion was held concerning the Electric Department and the City each only having one employee. Because of the City's workload, discussion was held regarding the City hiring another employee and they labor share with the Electric Department as opposed to the Electric Department labor sharing with the City.

Revenues for the FY2009-2010 Budget were discussed.

There being no further business to discuss, meeting was adjourned.
